Performance Driven Solutions

Automotive Care Essentials

DESIGNED FOR REAL USE

Purple Station products are developed to meet real automotive needs. From exterior cleaning to interior care, from emergency solutions to long-term protection, every formula is created to perform under daily driving conditions.

Performance-driven solutions for cleaning, protection and maintenance.

Purple Station delivers reliable automotive care products designed for everyday use and professional results.

Built around functionality, clarity and modern design, each Purple Station product focuses on a single purpose: to work efficiently, safely and consistently.

WHEEL CLEANER

Purple Station Wheel Cleaner is formulated to remove stubborn dirt, brake dust and road grime from steel and alloy wheels.

Its active formula penetrates surface contamination and restores a clean, refreshed appearance without damaging wheel materials.

Designed for fast and effective exterior care.

RAIN REPELLENT SPRAY

Purple Station Rain Repellent Spray forms a water-repellent layer on glass surfaces.

Rainwater beads up and flows away quickly, improving visibility during wet driving conditions. Designed for windshields and exterior glass surfaces.

DE-ICER SPRAY

Purple Station De-Icer Spray quickly loosens ice and frost from vehicle windows and locks.

Its fast-acting formula helps restore visibility and access without scraping or damaging surfaces.

Ideal for cold weather conditions.

COCKPIT SPRAY

Purple Station Cockpit Spray cleans and revitalizes dashboards and interior plastic parts.

It helps reduce dust adhesion while leaving surfaces looking clean and refreshed.

Designed for maintaining a tidy and well-kept interior.

TIRE SHINE

Purple Station Tire Shine enhances the natural black color of tires while providing protection against environmental effects.

The formula creates a uniform finish that refreshes tire appearance and helps maintain a well-groomed look.

Ideal for regular vehicle detailing.

EMERGENCY

Provides a quick temporary
seal to help restore mobility.

- Seals Punctures
- Allows Continued Driving

400 mL

TEXTILE CLEANER

Purple Station Textile Cleaner is developed for effective cleaning of fabric surfaces inside the vehicle.

The formula helps remove stains and refresh upholstery in cars, caravans and boats.

Suitable for seats, carpets and textile surfaces.

SILICONE SPRAY

Purple Station Silicone Spray provides lubrication and protection for rubber, plastic and metal parts.

Its water-repellent properties help protect surfaces against moisture, dirt and wear.

Ideal for regular maintenance and long-term protection.

CHAIN SPRAY

Purple Station Chain Spray is designed to lubricate and protect chains exposed to heavy use.

The formula reduces friction, minimizes wear and helps extend chain life.

Suitable for motorcycles, bicycles and mechanical chains.

RUST REMOVER SPRAY

Purple Station Rust Remover Spray penetrates rusted surfaces and helps loosen seized parts.

Its formulation supports smoother movement while assisting in corrosion removal.

Ideal for bolts, nuts and metal components.

BRAKE CLEANER

Purple Station Brake Cleaner removes grease, oil and brake dust from brake components.

The fast-evaporating formula leaves no residue and supports optimal braking performance.

Suitable for disc brakes, pads and mechanical parts.

TYRE REPAIR KIT

Purple Station Tyre Repair Kit allows temporary repair and reinflation of tubeless tires.

Designed for emergency situations, it helps drivers continue their journey safely until professional service is available.

Suitable for passenger vehicles and motorcycles.

LEAK REPAIR SPRAY

Purple Station Leak Repair Spray forms a flexible sealing layer that helps close small cracks and leaks.

Once dried, the surface can be further treated or painted if required.

Designed for versatile repair applications.

8-IN-1 MULTI SPRAY

Purple Station 8-in-1 Multi Spray combines multiple maintenance functions in one solution.

It can be used for lubrication, cleaning, moisture displacement, corrosion protection and more. An all-purpose solution for everyday automotive maintenance.

From routine care to unexpected situations, Purple Station offers reliable solutions designed to support drivers at every stage of the journey.

Performance you can trust.
Design you recognize.
Results you can rely on.
